HALLIDAY - PHILIP RICH

"A luminous green gold. An attractive bouquet of white peach, gently grilled nuts and just a little lemon verbena. The palate is fresh and vibrant, finishing gently saline. A well-put-together and attractively priced wine to drink over the next two to three years."

THE WINE FRONT - KASIA SOBIESIAK

"Vibrant start with plenty of fresh aromatic fruit, stone fruit, quince and pomelo and a nutty thread, making up an almond friand and peach pastry. It's more fruity than oaky in style, with texture, flavour punch and a clean-cut finish. Good one."

WINE PILOT - SHANTEH WALE

"A wine that sings with Yarra Valleys confidence and cool climate expression. White peach, baked pineapple cake and lemon curd. Its zippy and zesty with acidity and a good dollop of vanilla spice undertones, the partial malo adds creamy oatmeal into the centre palate. Some ground ginger and white pepper to finish. This will uplift you and provide the robust round tones of full bodied chardonnay at the same time. Go for something cheesy and toasty."
