THE REAL REVIEW - HUON HOOKE

"Full colour, bright with a purple tint. Attractive dark cherry and spice aromas with smoky oak touches and a delicious savouriness allied with bright primary fruit. Good intensity and the texture is soft and slippery. Fine, powdery tannins are very restrained. Delicious but straightforward young pinot that drinks well already."

WINE PILOT - SHANTEH WALE

"Fruit is sourced from multiple sites from across Yarra Valley. Predominantly MV6, this displays pure Bing cherries, some mulberries too. There is a thrill of bright acidity and some velvety tannins, this is fruit forward with just a subtle hint of nutmeg and cassia bark spice. Some carob and chop chip earthiness. A perfect picnic or pizza wine or so is its smooth texture, a wine that can be drunk on its own, on the couch, a blanket and a packet of crisps. Good value."

THE WINE FRONT - KASIA SOBIESIAK

"Summer berries, undergrowth, twiggy and leafy bits. Very pleasant fruit-forward perfume with a nice purple flower lift and sleek tannins, and a bitter-sweet plummy/cherry finish."
